## Recreation Program Launched . . .

A program designed to give Grayling a sports and recreational area second to none was launched this week with the combined backing of the City of Grayling, the Grayling Public Schools, many of the city's organizations and clubs as well as many public spirited citizens.

The project will develop as the starter of the area a new softball field, a football gridiron and a complete track and field layout all under lights. It is hoped to complete this part of the project in time for football season this fall with the track and softball areas rounding into shape for use during the next season of such sport.

It is estimated that about \$10,000 will be needed to get this much of the far-flung project underway. This will completely grade the area, seed the football and softball area, place a quarter mile cinder track, with a 220 yard straight away, around the football field and fence the area as far as funds will permit.

In the background for future development in the area are tennis courts, shuffleboard, horse shoe courts and many other outdoors activities to give recreation not only to teen-agers but to the adults of the area and our ever increasing tourist population. The City owns property across the East Branch of the AuSable River adjacent to the above mentioned area and plans call for a rustic bridge over the stream and a development of a picnic area on the far side of the East Branch with a complete playground layout for the smaller youngsters. This will keep the small fry away from the larger children and nearer to their families. It is also planned to develop a small wading pool for the smaller children on that side of the stream.

A project of this size for a community as small as Grayling must necessarily be proposed over a number of years. It is hoped each year to add certain more features to the Grayling Memorial Recreational Area.

The land area is owned by the City of Grayling and all features added in the park will become property of the City. The project thus becomes one in which all shall benefit and all should participate to the best of their financial ability. What a person donates to the project, they are really donating to themselves in that it will become the pride of all of us.

Such an area is sorely needed in Grayling both from the High School sports program, the tourist angle and from adult recreation of our citizens. With football, track and softball under the lights, more people will be able to witness the games and meets affording them pleasure and bringing in gate receipts part of which may be used to further develop the area.

We urge that you back the Grayling Memorial Recreation Area for in doing so you back Grayling. Grayling business . . . Grayling recreation . . . Grayling sport . . . Grayling's tourist attraction.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE  
FILES OF THE AVALANCHE OF 23 YEARS AGO

June 2, 1932

Senior Class scholastic honors go to William Foley and June Schofield. The announcement that these two carried off the classroom laurels is of no great surprise to those who have listened to their recitations for four years. Foley captured the Victory by a narrow margin from June and Grayling has the rather unusual situation of having a fellow win the highest award that is possible for scholarship. These two stood very decidedly above the rest of the class. Esther Cahoon forfeited her chance to capture one of the two honor positions by transferring to Grayling for her senior year. The second that Esther brought here was consistently high, but the rules of procedure demand that the work be done in one school. Seventeen seniors are looking forward to graduation. They are: Forrest Annis, Josephine Bennett, Marie Brown, Evelyn Jordan, Brad Jarmin, Charles Clauson, Florence Kellogg, William Foley, James Miller, Wm. Harrison, Russell Dunham, Irene Randolph, Esther Cahoon, Estella Larson, Harry Weiss, Lawrence McDonnell, June Schofield.

Memorial Day services as planned by Grayling Post 106 were carried out when the procession of ex-service men formed at the Legion hall at 10 o'clock Monday morning. First in line was the color, borne by Wilfred Laurant, and the American Legion banner carried by Neil Matthews. Frank Decker and Earle Hewitt were the color guards and Clarence Johnson was in charge. Grayling band followed in line and then

the group of ex-service men brought up the rear. The procession marched to Elmwood Cemetery and gathered at the mound where Chaplain Emil Giegling had charge of the services. Following a selection by the band Rev. H. J. Salmon gave a very inspiring Memorial address. It was short but to the point and his tribute to the soldier dead was beautiful. Closing the program Grayling band played the Star Spangled Banner and E. G. Clark blew taps, the echoes of which resounded in the distance. There was a large crowd out and as there were many visitors in town that day the occasion was the usual success.

Thorvald Hanson accompanied by Victor Melanson and H. J. Damm of Detroit spent the week end here at the Algot Johnson cottage at Lake Margrethe, coming to enjoy fishing. They also visited at the home of Sam Rasmussen. Mr. Hanson was a former resident in Grayling, having clerked in the old Salling Hanson Company store 30 years ago.

Mr. and Mrs. Carl Hanson were business callers in Gaylord Tuesday.

Mrs. Blanche Houghton returned Thursday from a few weeks' visit to Pontiac and Ann Arbor with friends.

Miss Elsie Burke is all through her training at Mercy Hospital and has returned to her home in Frederic.

The Misses Nellie and Margine Soderberg of Bay City were guests of Mr. and Mrs. Adolph Peterson Monday.

Miss Mildred Corwin and Frank Bromley of Lansing were week end guests of the former's parents, Mr. and Mrs. C. Keyport.

Mr. and Mrs. William Woodbury and little son Boyd of Bay City and Clyde Streeter of Ann Arbor were guests of Mr. and Mrs. E. N. Darveau Monday.

Mrs. James Reynolds and son James Jr. and Mrs. Lilland Smock and sons Bob, Howard and Jerry spent Sunday in Twinning visiting at the home of Mr. and Mrs. Guy Reid.

Mr. and Mrs. George Granger and Mr. and Mrs. Robert Clark of Lansing visited at the home of Mrs. Cella Granger and Mr. and Mrs. George L. Stephan over the weekend.

E. W. Creque Jr. and son Ted of Flint visited at the home of Mr. and Mrs. Rasmus Rasmussen Monday. E. W. Creque Sr. also spent the weekend at his cabin.

Mr. and Mrs. Clair Smith, daughter Betty and son Bobby returned Tuesday from a week's visit with the former's parents, Mr. and Mrs. Wilbur Smith.

Mrs. Barbara Anthony and sons Norman and James and the Misses Vera Klein and Gladys Deadman of Alpena visited at the home of Mr. and Mrs. Peter Klein Sunday and Monday.

Ether Rasmussen of Marlette visited his parents, Mr. and Mrs. Peter Rasmussen over Sunday. Mrs. C. R. Keyport and daughter, Miss Jane arrived home Sunday from Nashville, Tenn.

Mr. and Mrs. Roy Milnes and family spent Sunday and Monday in Clare visiting Mrs. Milnes' mother, Mrs. James Rodgers.

Mrs. Susie Maguire and Mr. and Mrs. Clifford Fuller of Battle Creek visited at the home of Mr. and Mrs. Paul Feldmauser and Mr.

and Mrs. Carlton Wythe over the weekend.

Mr. and Mrs. Leo Jorgenson enjoyed having as their guests over the weekend Mr. and Mrs. John Jackson of Adrian.

Mr. and Mrs. Thomas Speight, Mrs. K. Kopp and little daughter, Betty and Miss Edith Bidvia of Detroit were guests of Mr. and Mrs. Herman Bidvia over the weekend. Mrs. Speight and Miss Edith are remaining for a longer visit with their parents.

Grayling Giants added a couple more victories to their record when they defeated Lovells in games Sunday and Monday. The Sunday game was played at Lovells and ended in a score of 11-2. Battery for Grayling was Pond and Brady. Monday's game was played on the local gridiron and the game ended 21 to 2. Batteries for Grayling Monday were Sheehy and Brady. A feature of the game was a home run by "Rudy" Harrison. "Rudy" seems to be trying to compete with "Babe" Ruth for home runs as this is the second one in three games.

Mrs. Lula Kessler, daughter, Margaret and sons Lawrence and Joseph visited relatives and friends in Midland Sunday. Joseph Kessler returned Friday from Midland where he has been employed for some time, and expects to remain here.

Mr. and Mrs. Emil Kraus had as their guests over the weekend Mr. and Mrs. Wilfred Cohen and Mrs. Augusta Walt of Detroit and G. A. Kraus of Chicago.

A friend told us recently the formula for a happy life. "Keep limber, and loving and a little bit loony".

Half our people were on the streets last Friday evening, enjoying the delightful weather and the open air concert by the best band in northern Michigan.

Mrs. Seeley Wakeley is happy over a visit from her father and mother, Mr. and Mrs. Link of Detroit. The ladies can visit while the "boys" are fishing and all enjoy the fish together.

The Grayling band has been engaged to play for two days at the Home Coming celebration at Bay City, Monday July 5th, and Tuesday, July 6th. One of the invited guests for the celebration is David Shoppengans who will have a place of honor in the Pioneer parade.

On Monday evening, June 7th, a party of friends and relatives of Mr. and Mrs. O. Sorenson gave them a pleasant surprise, the event being their 25th wedding anniversary.

Our ball team opened their season Sunday by taking the L.O.O. of Bay City into camp to the tune of 7-3. Letzkus starred both at bat and in the field while Bay City's center fielder played a strong defensive game. Carl "Panson" was on the mound for

for this wide-open beauty.

It's the new kind of hardtop—  
**The 4-Door Riviera!**

THERE seems to be some confusion about what a hardtop really is, and we'd like to set the matter straight.

A hardtop is a car that looks like a Convertible with the top up—but has a solid steel roof overhead—and no center posts in the side window areas.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

You see one pictured here. It's the 4-Door Riviera. And it's taking the country by storm.

Because here, at long last, is an automobile with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-coil springing—the walloping might of Buick's record-high V8 power—the whip-quick

getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflo.\*

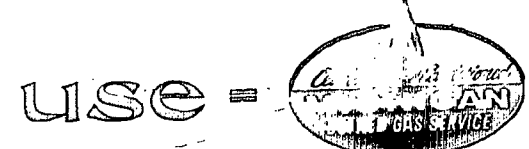

And it's available in Buick's two lowest-priced Series—the budget-tagged 188-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.

\*Dynaflo Drive is standard on Roadmaster, optional on other Buick models.

Thrill of the year is Buick

# 4 Ways to Make June a "Festival of Better Living" in Your Home

## Serve your family these foods that build strong bodies and happy lives

These are the foods that can give your family the nourishment and strength they need to face a busy life. Serve them every day in every way that you can and you'll have a happier, healthier family. Ask your milkman or your grocer for wonderful dairy foods.

Milk... In its many varieties... Cheese... Butter... Ice Cream... Nonfat dry milk solids... Evaporated milk... Cottage cheese. Don't miss the tasty, thrifty recipes made with dairy foods featured on the following pages.

### Be ready... Keep Cheese in your refrigerator

Learn to depend on cheese for quick, easy meals and on-the-spot entertaining. There is a unique and delicious cheese

made for every taste and for every occasion... slice it, melt it or serve it on a glamorous tray. Cheese is the dairy industry's most versatile food. So take advantage of the June Dairy Month special on cheese.

### Drink at least 3 glasses of Milk every day

Put a pitcher of milk on the table with every meal. Milk builds strength—not fat! It relaxes you... eases nervous tension and

helps you sleep better. It gives your family the calcium they need to keep bones and teeth strong. Get started on the health habit of drinking at least three glasses of milk every day—four for children.

### Serve Ice Cream... America's fun food

This all-time, All-American favorite dairy food comes in so many mouth-watering flavors... that you

can give your family a new and different one every day. In a hundred different ways on a hundred different days, you can give your family lots of good eating fun.

### Enjoy real Butter at every meal

It's churned from 100% real cream. In fact, it takes 4 pints of cream to make a pound of butter. That's why it tastes so extra good on all hot foods.

## June is Dairy Month

in Michigan

It's peak value time for dairy foods... at your door or at your store

Throughout Michigan this June you'll find this gay, happy balloon pointing out special values on all the grand dairy foods that mean better living for your whole family.

Your food stores, dairies and restaurants are offering peak values. So join the fun! June is the time for you to rediscover milk and all the good things that come from milk.

AMERICAN DAIRY ASSOCIATION OF MICHIGAN, INC.

## Special Program Will Mark State June Dairy Month

Special programs were launched throughout the state June 1 to tell the story of dairy products and their nutritional value to the family as June Dairy Month in Michigan officially gets underway, according to Charles E. Stone, secretary-manager of the American Dairy Association of Michigan and chairman of the June Dairy Month committee, which sponsors the annual event.

Dairy farmers in all of the state's 83 counties have correlated their efforts with milk processors the past few weeks, preparing special promotions and events to tell the dairy products story to the public. Posters have been placed in most food stores and local festivals are scheduled in some places stressing dairy products.

A highlight of the month will be the state-wide tour of Miss Joanne Barrett, of Lum, Michigan's pretty 1955 queen of dairying.

The queen, who just recently completed a tour of the east with three other queens of Michigan's agricultural products as part of the Michigan Week observance, will spread the story of milk and other dairy foods in local programs all during June.

Assisting Miss Barrett will be county queens who recently competed for the state title of Michigan's dairy queen.

According to Mr. Stone, more than 1,000 Michigan people in all walks of life are serving on special dairy committees in 83 counties.

In conjunction with local efforts, the American Dairy Association of Michigan has started a

large-scale promotional program through advertising in Michigan newspapers, national magazines and television and radio stations which blanket Michigan homes in order to bring the story of dairying to all.

### FRESH BUTTERMILK SECRET OF GOOD PANCAKES

Morning comes early — and a bright morning it can be, too if you have a good day to look forward to. One way to assure just such a day is to start out in a cheerful mood with a tempting pancake breakfast.

Your whole family — and especially Dad and Junior — will welcome this new recipe featuring Half 'n Half Pancakes. Combining equal parts of buckwheat and plain pancake mix and made with fresh buttermilk, the pancakes have a mild pleasing flavor that always makes a hit with the menfolk.

A colorful variety of fresh fruit sauces — apple, peach or raspberry — provide delicious toppings while bacon curls add a cheery touch to the platter. What a send-off for the day ahead!

### HALF 'N HALF PANCAKES

Makes 14 to 16 medium-pancakes  
1 cup pancake mix  
1 cup buckwheat mix  
1/2 teaspoon soda  
2 1/2 cups buttermilk  
1 egg  
2 tablespoons melted butter  
Combine unsifted mixes. Dissolve soda in buttermilk. Add all at once to pancake mix with egg and butter, stir lightly. (For thinner pancakes, add a little more buttermilk.) Somewhat lumpy batter makes light, fluffy pancakes. Pour 1/4 cup of batter for each pancake onto a hot, lightly greased griddle. Bake to a golden brown, turning only once. Serve with butter, bacon curls and a fruit sauce such as raspberry, peach or apple.

## Need a New Snack Idea? Here 'tis!

Happy in the knowledge that she's doing a good job is the homemaker who can serve her family snacks that are fun to eat and nourishing besides.

With plenty of milk and other dairy products in the refrigerator, and cereal readily available, anyone has the makings for such snacks.

Or, nut bread spread with whipped cream

cheese, butter, or other soft cheese spread, and with a pitcher of cold milk on the side, can be the easy, appealing result. This combination served with a fruit salad at lunch is wholesome eating, too, and there's no doubt that seconds will be called for.

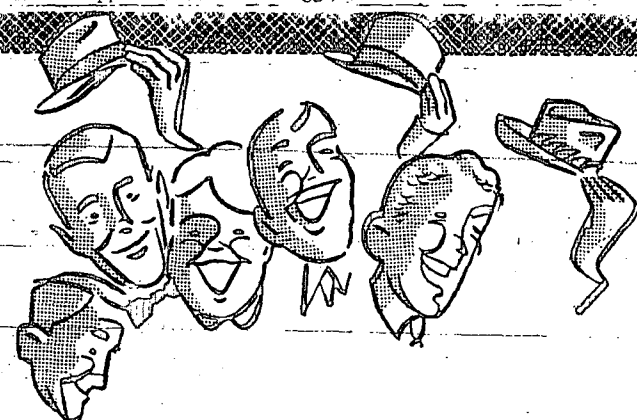

Oatmeal is just one of the many cereals that can be used in a variety of recipes, and ice-cold milk is a fortunate companion to serve with any cereal dish. Cereal and milk are an unbeatable team nutritionwise because the two foods complement each other remarkably.

### OATMEAL NUT BREAD

2 pans, 4 1/2 x 8 1/2  
2 loaves  
350°, 1 hour  
2 eggs, beaten

1 cup sugar  
2 cups buttermilk  
2/3 cup dark molasses  
3 cups sifted flour  
1 teaspoon salt  
1 teaspoon baking powder  
2 teaspoons baking soda  
1 1/2 cups quick rolled oats  
uncooked  
1 1/2 cups chopped nut meats  
1 1/2 cups chopped dates

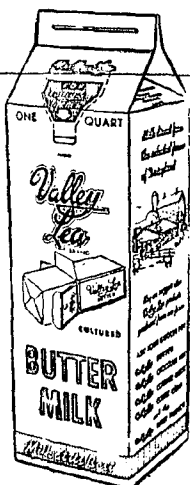

Beat eggs until light. Add sugar gradually, beating well. Stir in buttermilk and molasses. Sift dry ingredients together and add to egg mixture. Add rolled oats, nut meats, and dates, stirring only enough to combine. Bake in two 4 1/2 x 8 1/2 bread pans, which have been buttered, lined with waxed paper, and buttered again over the paper. Bake in a preheated oven for 55-60 minutes.

Anniversary Class and the Class of 1900 Mrs. Clara Bugby David, Arthur May, Mrs. Grace Vail, Stephen, Mrs. Dorothy Hoell Malling, and Mrs. Margaret Warren Pardee.

Colonel Hardin C. Sweeney, Class of 18, who was the principal speaker at the evening took for his theme: "Forty Years of Time" in which he spoke of the progress from the time he had graduated from Grayling High School up to the present time. Telling of the miraculous industrial, commercial, social and general civil development of the nation in this forty years of time, he mentioned the various wars, the river routes to Grayling and its people and said Grayling was and always would be his first address. "Hardin" as he is familiarly known was born in Cass City and came to Grayling when he was a young boy. He attended high school he also had a job, his first one, when he was the "Printer's Devil" in the print shop of the Crawford Avalanche, and which was during the time of the late Oscar P. Sojka, who was his publisher. But instead of going on to be a printer he joined the regular U. S. Army in 1915 soon after graduating from high school, and rose from private to the rank of colonel, retiring in 1954. At present he is a member of the faculty of Creighton University of Omaha, Nebraska, where he teaches Russian History.

If clearance is given us to go ahead we plan to have the Post operation just as soon as the director of the filter center has been installed.

We have received word that as soon as the Ground Observer Corps is established here that officers of the United States Air Force will be in the area to conduct classes of instruction and give us all of the information necessary that we may conduct our post in an orderly and efficient manner.

You may rest assured that through the columns of the AVA-LANCHE we will keep everyone posted as to our progress in forming and operating this most important unit in the Civil Defense program.

KIDS ENJOY ANNUAL ST. MARY'S PICNIC

Perfect weather brought out a large number of two hundred and twenty-five for the annual St. Mary's School picnic, held at Hartwick Pines on Tuesday, May 24th. Besides the school kids many of the mothers and the pre-school children were there to enjoy the outing.

St. Mary's Ladies' Club furnished the picnic fare which included hot dogs, ice cream, cup cakes and pop in all-you-can-eat quantities. Eleanor Hunter was chairman of the affair.

St. Mary's Men's Club assisted in entertaining the kids. Baseball and softball games filled in the morning hours, and the popular foot races, bag races, relay and three-legged races occupied most of the afternoon. Prizes were awarded by Fr. Breitenstein to the winners of these events which were judged by the Men's Club members.

It was a truly wonderful time for everyone and a much-looked-forward to reward for the students of St. Mary's School.

Why Advertise?

Advertising really pays if it is done properly. To prove a point, consider Pike's Peak.

There are 20 other mountains in Colorado which are higher than Pike's Peak, but no champagne bottle has ever been offered to the winner of the contest to name the highest peak.

Can you name any of the 20 mountains which are higher than the well-known Pike's Peak?

We can't either, but if you can, we'll give you \$100.00.
